It's good ta see noo-nim* lookin' well, ain' it?
You don see that many mothers that re so carin for their kittens
Whew.. I cain't unde-staind why you like people so much, ol' man
It would be even better if she'd accept aid from human-nims
Yes, they are sinful creatures to us, but- You should remember, they help us, too

*T/N -nim is an honorific in Korean. You usually attach it after a term which deserves respect or is older than you. In this case the male cat is combining it with noona a word which males use when referring older females

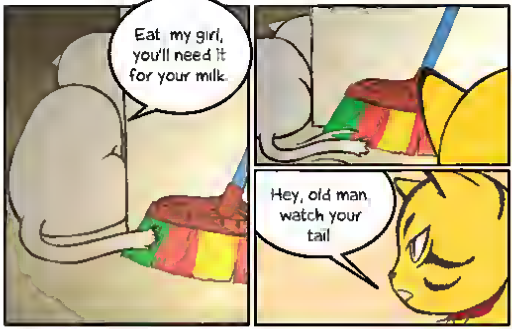

Shit...
Caught redhanded.

I thought I told you not to feed stray cats
Why are you still doing it?! It just attracts more of them!
I'm sorry, I just pity them

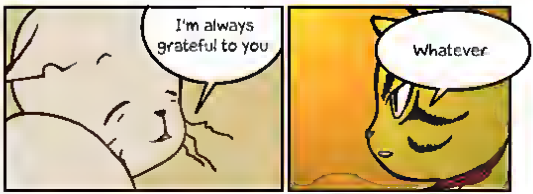

YOU PITY THEM?! WHY NOT PITY ME? I CAN'T EVEN SLEEP BECAUSE OF THEM!

PAPY NYANG
Chapter 3:
Encounter

This cat is male
But he's having a period

Hyung-nim, we didn't sleep at all last night.
We'll be exhausted if we keep searching like this
Is it even still... alive?
Even if it's dead..
We'll find it.
It was the old man's last request.

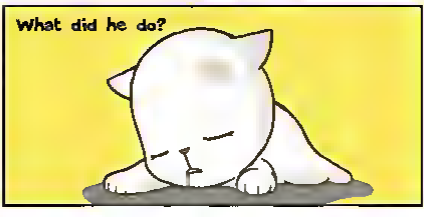

Cats have bloodless periods.
Is he an indoor and outdoor cat?
No, he stays inside the house ..
He could have gotten germs on his urethra by touching something dirty
Is our house too dirty?

(Note: Urethra- The tube that goes from the bladder to the exterior.)

There's the possibility of a few complications, so I'll put him to sleep and do a few tests.

Ha ha...

Oh how much for the milk?
10 000 won will do

By the way, could you look after a cat for me for a while?

A cat?

I took in some cats recently that were about to be euthanized
But one of them is finding it difficult to adjust here. Perhaps it s because of the other animals

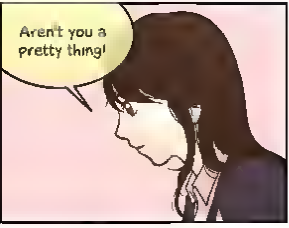

She refuses to eat and just cries all day
So I need someone who could look after her for a month
After the month I'll be living in a new place that allows animals you see
Could you take care of her until then?
Hmm... sorry, I don't think I could I took in a little kitten just yesterday
Two is already too much for me and if the landlady finds out...

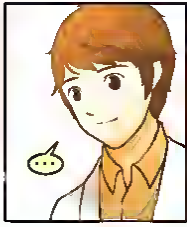

Ah! Please don't mind what I said then

Are these the cats you were speaking of?
She really doesn't care eh..

I was talking about the one in the middle

Aren't you a pretty thing!

Why are you crying so sadly?
Nyaa

You look a lot like my little kitten

Ah. By the way, where the hell am I?
Glance

I'm sorry

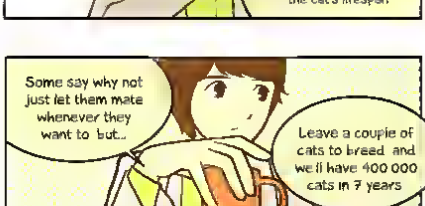

My little one is still outside...
I can't help but cry whenever I think of her... Sorry...

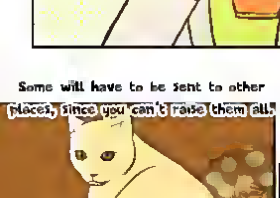

I wonder if she's eating well, or if she's locked up somewhere like me
Er... Well... How did you end up here?

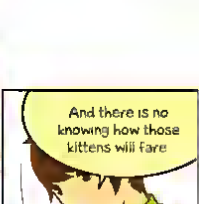

A cat neuter surgery... It is really necessary?

It's optional but it's an unavoidable choice.

A cat is a polyestrous animal. If it doesn't mate, it continues to stay in heat until it is satisfied...
If a cat is in heat but can't do anything about it, it suffers an incredible stress. It could even shorten the cat's lifespan.

Some say why not just let them mate whenever they want to, but...
Leave a couple of cats to breed, and we'll have 400 000 cats in 7 years.

Some will have to be sent to other places, since you can't raise them all.

And there is no knowing how those kittens will fare.

On top of that, it'll be hard to find a mate for Chev...as he isn't a pure breed
But he's a Turkish Angora..
Sorry? I don't think so. Although his fur is white his other features are...
DAMN, THAT AJUMMA LIED TO ME!!!
And the cat neuter surgery also reduces the risk of urinary diseases
Chev already has had problems with his urinary system so I would advise the surgery
Please think about it.

A BASKET WHERE YOU CAN'T GET OUT ONCE YOU'RE INSIDE?

AND IT SMELLED DELICIOUS TOO?
Yes... My baby was hungry and I was trying to stop her from going in...

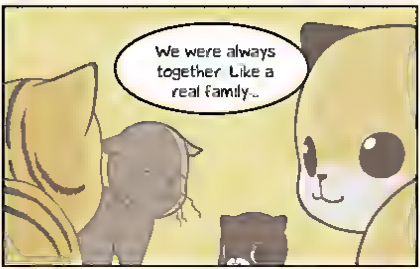

You have any other babies?
I had four, but...

Either they were born frail or they didn't have enough to eat.
All of them died except for one...

How about you?
I was the only survivor in my litter

Sigh... you're the same as me
I do have someone like family, though

Come to think of it... so do I

We were always together. Like a real family...

I'm really sorry I should've told you earlier
IS THAT IT? SAYING SORRY? DO YOU KNOW YOU'VE BREACHED THE CONTRACT, MISS?
I'm sorry...

Then we'll talk on the day after tomorrow.

Yes... goodbye then.

There are people who like animals
and those who dislike them.

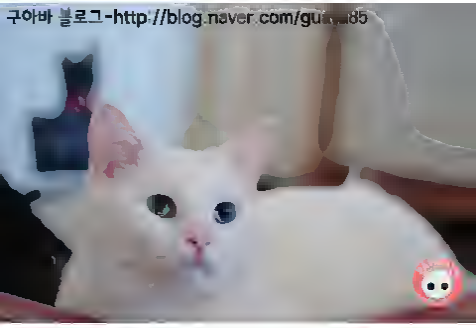

And when you moved in, I told you
that you can't have pets.

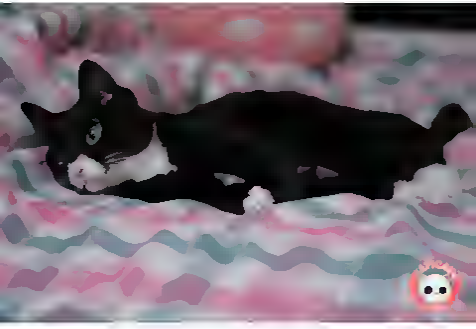

Do you have to keep them?
Can't you send them away or give them to someone else?

Otherwise, I must ask you to leave.

But I don't know if anyone will give you a room knowing that you have cats.

Wow..

This place isn't bad but there are many construction sites around it.
There's a road in the front, so it's going to be noisy

And it'll be very hot during summer.

Well...but I can keep cats in here, right?

If I can live with them, without worrying about other people, then that's enough for me.

I'll take this place.

WHY NOT? THEY SAID THEY'LL HELP YOU!
Outside is scary. And Mom's not here..

DARN IT! YOU SURE ARE FRUSTRATING!
I don't like outside.
HEY! IF YOU DON'T LEAVE, YOU'LL BE LOCKED IN HERE FOR THE REST OF YOUR LIFE!
YOU MUST DO AS THE JAILER TELLS YOU AND LIVE LIKE A PRISONER!!

Even the basket that smelled delicious, but you can't get out since you're inside, it's exactly the same.

But I'm not so sure if you can see her, she's locked up inside.

Since she's wearing a white sock on each foot.

What?
What are you getting angry for?
What have you done yourself?

Do you think I'm you?

Now, listen carefully

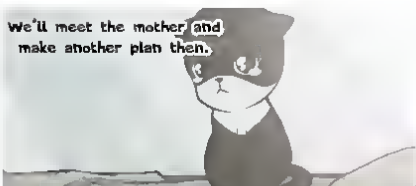

We'll do it tomorrow night.

Night is better, since it's easier to evade detection and move around freely.
You two will tear this open, come outside.

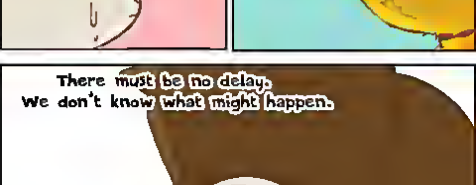

and jump onto the wall. Both you and the baby should do it easily.
But be careful not to fall.

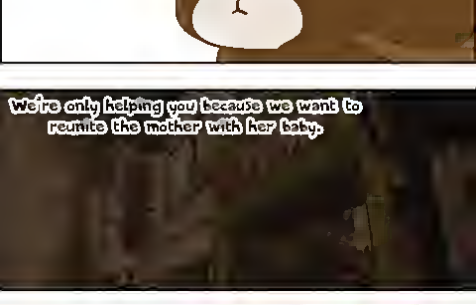

Climb down the stairs and come out through the open door.
We'll be waiting there. We must be cautious, since humans might walk past.

Just follow us.
Go wander around by yourself and you'll be dead in no time.

We'll meet the mother and
make another plan then.

Don't forget
It's tomorrow
night

There must be no delay.
We don't know what might happen.

We're only helping you because we want to
reunite the mother with her baby.

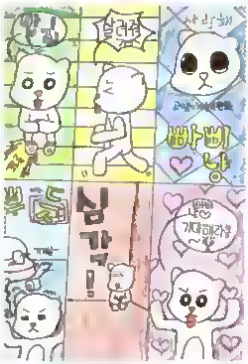

So stop mucking around and work on that thing!

You must get out as soon as possible.

There isn't much time...
